Leuzet, Vin de Pays d'Hérault - Blanc 2020

Région : Languedoc

Terroir : Shale soil

Varieties: 50% Grenache grey, 50% Sauvignon blanc

Content : 750 ml

Alcohol : 13% vol.

Storage : 2 years

Winemaking : Grapes are hand-picked, direct pressing, Vinification in stainless-steel tanks

Wine aging : The wine is matured in tanks on fine lees for 8 months

Tasting :

Very pale yellow colour, crystalline with a slight green tint. The nose is intense with notes of white flowers and citrus fruits. The palate is long, fresh and thirst-quenching, mixing exotic and citrus notes supported by a beautiful minerality and a strong schist character.

PS : This wine particularly likes aperitifs with friends, fried red mullet fillets with tomato confit and fresh goat's cheese with olive oil.
